

## **Abortion Argumentative Essay Outline**

### I. Introduction

#### A. Definition of abortion

B. Thesis statement: Abortion should remain a legal option for women because the government has no right to interfere with a woman's body, banning abortion would disproportionately affect low-income individuals, and it is medically safer than childbirth in many cases.

### II. Body Paragraph 1: Government Should Not Interfere with Women's Bodies

#### A. A woman should have control over her own body

#### B. Women know best when it comes to their bodies, not the government

#### C. Governments that make abortion illegal are violating human rights

### III. Body Paragraph 2: Disproportionate Effect on Low-Income Individuals

#### A. Financial burden of having a child is too high

#### B. Poor individuals are more likely to have unplanned pregnancies

#### C. Access to abortion services is essential for low-income individuals

### IV. Body Paragraph 3: Safer than Childbirth

#### A. Risks associated with childbirth can lead to severe physical and mental health issues

#### B. Statistics show that abortion is significantly safer than childbirth

#### C. Abortion should remain an option for women due to the medical benefits it can provide

### V. Conclusion

#### A. Summary of the main points

#### B. Restatement of the thesis statement

#### C. Call to action for readers to exercise their right to choose what is best for them when it comes to reproduction

### VI. Works Cited

#### A. Sources used in the essay, such as journal articles and websites.

#### B. Format according to MLA 8th edition guidelines.

#### C. Check for accuracy and reliability of sources.

### VII. Final Notes
